

Disruptions from Engineering Valley

Dr. Rupert Deger, CIO, e.GO Mobile AG

e.GO

Engineering Valley - RWTH Aachen University Campus

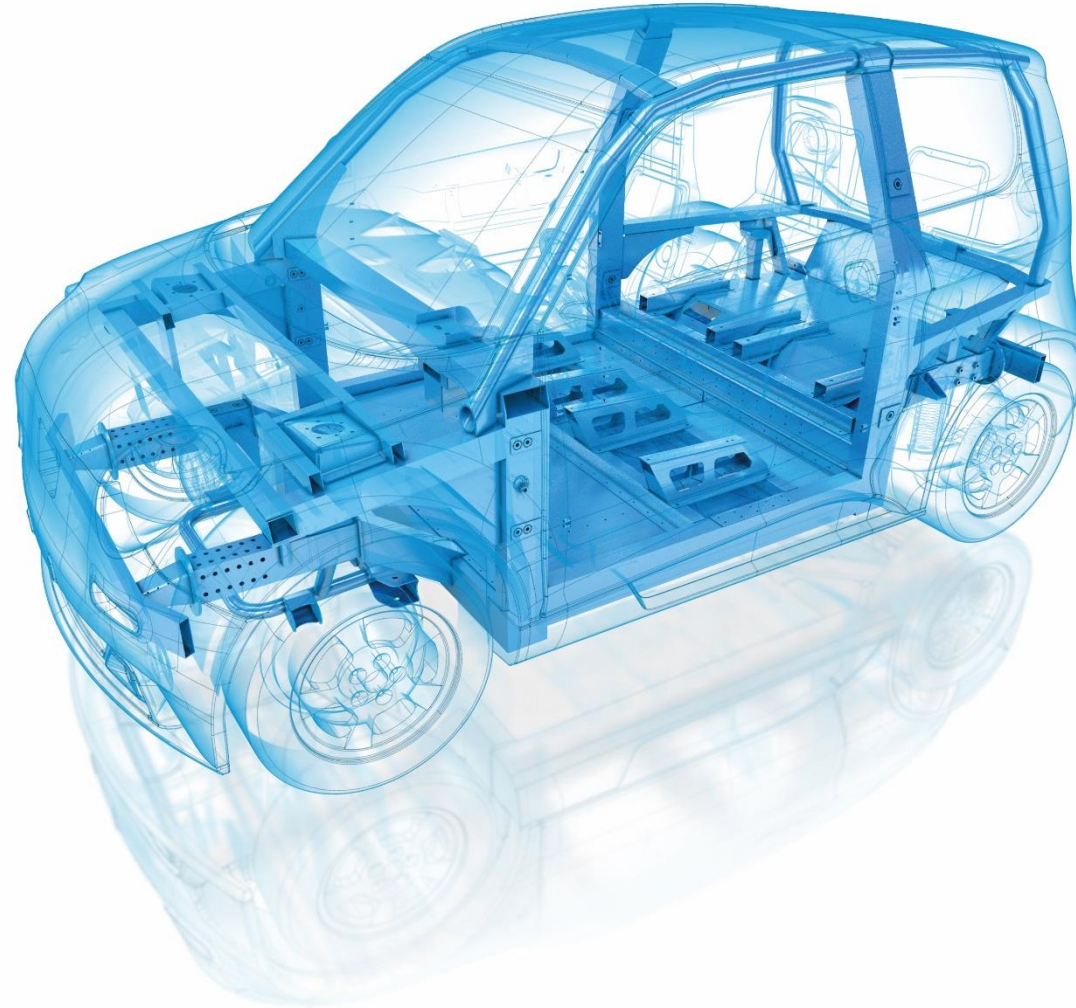

e.GO Headquarters, Showroom, Pre-series Plant at Cluster Production Engineering

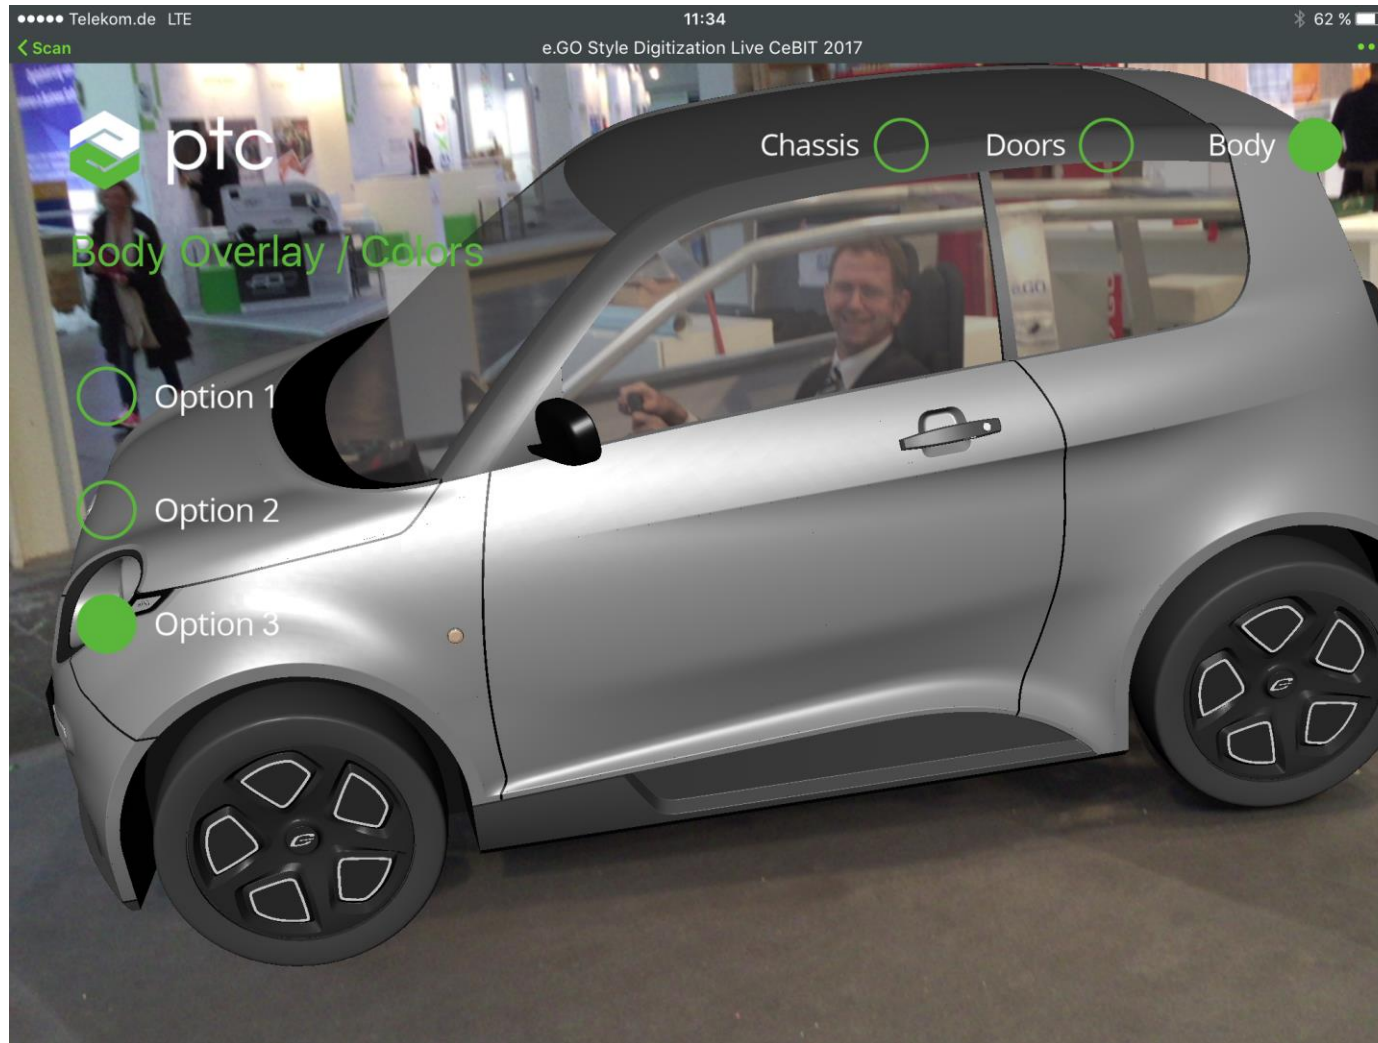

e.GO Life – our electric city car that is fun, practical and affordable

Low Capex Example 1 – e.GO Life Body

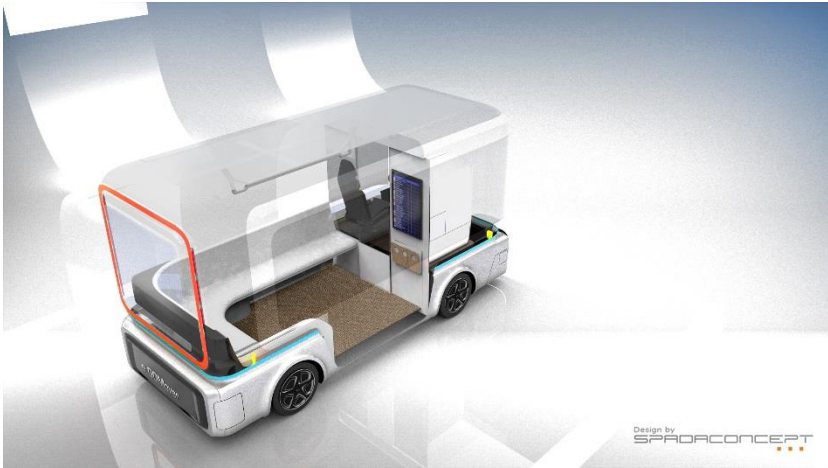

Low Capex Example 2 – Agile, prototype-driven development

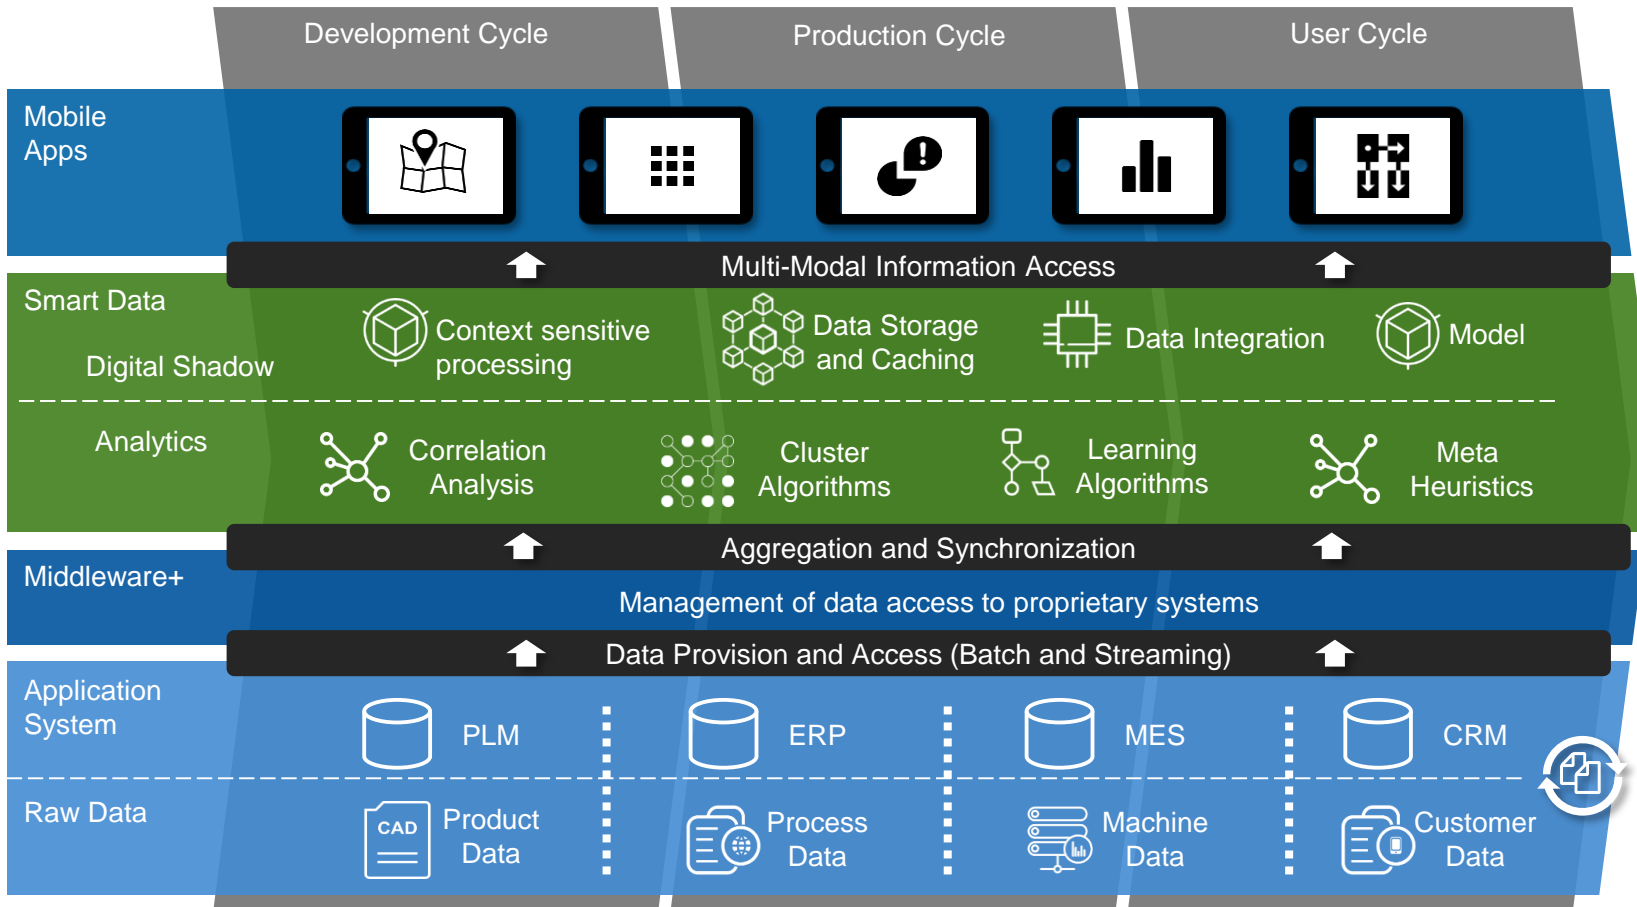

Low Capex Example 3 – Aachen-based series production plant starting early 2018

Partnership Example - e.GO Mover

Internet of Production

e.GO Internet of Production by European 4.0 Transformation Center and RWTH Aachen Campus Members
