

# STUDENT INTERNSHIP

**SOFTWARE FACTORY – YOUR PARTNER FOR DIGITAL TRANSFORMATION.** As a long-standing software and technology partner to PTC, we develop specific modules and solutions for big-name companies worldwide in close cooperation with our customers. At our headquarters in **Garching near Munich** we are now looking for an addition to our team.

## Your Responsibilities

You want to get a first insight into the working world or you look for an interesting place for your school internship?

You are curious to see how software is developed and you find it exciting to program your own mobile app?

Then contact us!

Supporting young talents is very important to us, this is why we offer interested students the opportunity to learn more about their talents and abilities in a student internship lasting one or several weeks.

Apart from that, you can also learn more about our vocational training “IT Specialist Application Development”.

Basic knowledge in any programming language are not required, motivation and fun in independent work are desirable nevertheless.

## What we offer

- You learn how to develop your own alarm clock app for Android and how to install it on your phone
- You get an introduction about the use of software development tools (Eclipse/Visual-Studio) and you get to know further tools and systems (e.g. DB Visual Architect, PCT, etc.)
- You deepen object orientated programming using C# or Java guided by one of our experts
- You can enhance your knowledge (e.g. abstract classes and methods, inheritance, exceptions, unit-testing, etc.)
- You can solve smaller tasks on your own

## Are you interested?

We are looking forward to your detailed application including your availability and desired salary via mail or email to the address indicated at the bottom of the page.

**YOUR PARTNER FOR DIGITAL TRANSFORMATION**

25 YEARS SF.

25 YEARS INNOVATION.

25 YEARS CUSTOMER SATISFACTION.

### Who we are

Software Factory optimizes horizontal data integration with tailor-made ON TOP solutions across the entire value chain. We are the partner for digital transformation in the context of Industry 4.0, smart production, mechatronics and Internet of Things.

BMW, Bosch, Siemens, TÜV and many more companies rely on our software solutions and our outstanding quality.

We are in close and active contact with universities, we educate, work in research projects and support the qualification of students with internships and theses.

Software Factory was founded by members of the Institute for Machine Tools and Industrial Management (iwb) of Munich's technical university (TU München) in 1992 and owns experience from more than 20 years in realizing challenging software projects and products.

### How we work

Software Factory plans and realizes systems and components for company-critical and company-wide processes. Our top priority is to increase and ensure the competitiveness of our customers with innovative and optimized solutions. We reach this goal by the team work of our professional and reliable employees, fairness and by open cooperation in partnership with our customers. Our employees are graduate computer scientists, business data processing specialists, mathematicians, engineers, natural scientists or qualified IT specialists which are trained by Software Factory. Satisfied customers and our employees are our main reasons for success.

### What we do

Companies are more and more rated on their level of innovation. The cooperation of disciplines, the synchronization of processes and data make the basis of Big Data and Industry 4.0. With our services Digital Engineering, Digital Manufacturing & Operations, Digital Service and Industrial Cyber Security companies are ahead of their competitors and in step with the time.

### What's in for you

At Software Factory, a practice-oriented task in a dynamic and friendly working environment in an attractive location in Garching near Munich is waiting for you! Look forward to great colleagues in our international team with flat hierarchies and direct communication and the ability to actively shape the company!

### Our Benefits

- 30 days leave
- Performance bonuses and incentives
- Individually tailored career development paths
- Meal allowance / access to medical fitness center in house
- Beverages freely available
- Car park
- Travel allowance
- Subsidized car-sharing scheme
- Assistance in finding accommodation
- Regular team events
- Bonus for successful staff recruitment

### Your opportunities at SF

Whether you are an intern, a student, a newcomer to the working world, transferring from another discipline or a seasoned professional; Software Factory has an attractive offer for every phase of your professional career.

Be in step with the time and shape the digitalization of the working world with us.

**We are looking forward to working with you!**
