

# SOFTWARE DEVELOPER (M/F/D)

.NET/C#

**SOFTWARE FACTORY – YOUR PARTNER FOR DIGITAL TRANSFORMATION.** As a long-standing software and technology partner to PTC, we develop specific modules and solutions for big-name companies worldwide in close cooperation with our customers. At our headquarters in **Garching near Munich** we are now looking for an addition to our team.

## Your Responsibilities

- Developing and programming .NET/C# applications including GUI and interfaces for third-party systems
- Analyzing customer requirements and developing IT concepts in greater detail using object orientated modelling techniques (e.g. UML)
- Presenting technical solutions to the customer
- Data modelling and developing database access to relational database systems and NoSQL systems
- Assuming responsibility for teams/projects
- Technical support for cost estimates and offers
- Integrating applications in Frameworks in Industry 4.0 (IoT) environment

## Your Profile

- Practical experience with Java and/or .NET using modern methods of software engineering
- System and IT knowledge in Java, C#, WPF, WCF, web services and relational databases (MySQL, MS SQL Server, Oracle)
- Experience defining system architectures and IT concepts in detail
- Customer and service-orientated work method and a high level of quality awareness
- Good command of English
- Professional demeanor
- Willingness to travel

## What we offer

- Dynamic, friendly working environment, flat hierarchies and direct communication
- The opportunity to help actively shape the company
- Interdisciplinary, international team and international customers
- Individually tailored career plan
- Performance bonuses and incentives

## Are you interested?

We are looking forward to your detailed application including your availability and desired salary via mail or email to the address indicated at the bottom of the page.

25 YEARS SF.

25 YEARS INNOVATION.

25 YEARS CUSTOMER SATISFACTION.

### Who we are

Software Factory optimizes horizontal data integration with tailor-made ON TOP solutions across the entire value chain. We are the partner for digital transformation in the context of Industry 4.0, smart production, mechatronics and Internet of Things.

BMW, Bosch, Siemens, TÜV and many more companies rely on our software solutions and our outstanding quality.

We are in close and active contact with universities, we educate, work in research projects and support the qualification of students with internships and theses.

Software Factory was founded by members of the Institute for Machine Tools and Industrial Management (iwb) of Munich's technical university (TU München) in 1992 and owns experience from more than 20 years in realizing challenging software projects and products.

### How we work

Software Factory plans and realizes systems and components for company-critical and company-wide processes. Our top priority is to increase and ensure the competitiveness of our customers with innovative and optimized solutions. We reach this goal by the team work of our professional and reliable employees, fairness and by open cooperation in partnership with our customers. Our employees are graduate computer scientists, business data processing specialists, mathematicians, engineers, natural scientists or qualified IT specialists which are trained by Software Factory. Satisfied customers and our employees are our main reasons for success.

### What we do

Companies are more and more rated on their level of innovation. The cooperation of disciplines, the synchronization of processes and data make the basis of Big Data and Industry 4.0. With our services Digital Engineering, Digital Manufacturing & Operations, Digital Service and Industrial Cyber Security companies are ahead of their competitors and in step with the time.

### What's in for you

At Software Factory, a practice-oriented task in a dynamic and friendly working environment in an attractive location in Garching near Munich is waiting for you! Look forward to great colleagues in our international team with flat hierarchies and direct communication and the ability to actively shape the company!

### Our Benefits

- 30 days leave
- Performance bonuses and incentives
- Individually tailored career development paths
- Meal allowance / access to medical fitness center in house
- Beverages freely available
- Car park
- Travel allowance
- Subsidized car-sharing scheme
- Assistance in finding accommodation
- Regular team events
- Bonus for successful staff recruitment

### Your opportunities at SF

Whether you are an intern, a student, a newcomer to the working world, transferring from another discipline or a seasoned professional; Software Factory has an attractive offer for every phase of your professional career.

Be in step with the time and shape the digitalization of the working world with us.

**We are looking forward to working with you!**
